To Whom It May Concern,

I'm writing to you concerning my support of humane treatment for farm animals. (Docket # 33298P-0151 / CP / 55). The treatment that some farm animals are exposed to is despicable! Animals are unable to defend themselves against evil farmers. Just because an animal is raised for "consumption purposes" absolutely does not mean that they don't deserve to live a decent life. Roam fields, breathe air, see sunshine, move around freely. I urge you to prohibit the horrible treatment of downed farm animals and their slaughtering. →
